Sean DeCrane is a 23+ year veteran of the Cleveland Fire Department. He currently serves as a Battalion Chief and Chief of Training for the Cleveland Fire Training Academy. Sean is a State of Ohio Certified Instructor and represents the International Association of Fire Fighters in the International Code Council. He also has served on the 2009 and 2012 International Fire Code Development Committees and is the current Committee Chair for the 2015 Edition. He was awarded the 2010 International Code Council's Fire Service Award, the International Association of Fire Chiefs Fire Life Safety Section's 2013 Fire Service Award and the 2014 Fire Equipment Manufacturer's Fire Advocate Award. DeCrane also serves on the National Fire Protection Association's NFPA 1 Fire Code Technical Committee. In addition Sean serves on the Underwriters Laboratories Fire Council, Underwriter Laboratories' Fire Fighter Safety Research Institute, numerous Underwriters Laboratories Technical Panels including Ventilation studies, the United States Fire Administration's Residential Fire Environment Workshop Project, the United States Fire Administration's project on Fire Fighting Tactics in Wood-Frame Residential Construction and the Modern Fire Environment Education Committee. He also sits on a number of Technical Review Panels for the NFPA Fire Research Foundation including Tall Wood Buildings. He has presented at numerous conferences in the United States and internationally and is a contributor for Fire Engineering Magazine and co-hosts Taming the Fire Environment on the Fire Engineering website.
