During the year 1954 the Fire Department answered 1469 calls. The estimated fire loss was \$628,260.00. This is an increase of \$534,989.79 over 1953. This increase is chiefly due to two major fires, one in January at the Pocahontas Fuel Company with an estimated loss of \$500,000.00, and the other in September at the Johnson Supply Company with an estimated loss of \$40,000.00.

During the year 1954 we had 18 fires with losses over \$1000.00. These amounted to \$611,200.00, or 97.3% of the total loss. In January alone there were 6 fires with losses over \$1000.00, amounting to \$525,000.00, or 80.3% of the total loss.

Apparatus

During 1954 the Fire Department installed a new starboard engine in the fire boat at a cost of \$15,600.00.

In December the Department put into commission a new American-LaFrance 750 gallon pumper at a cost of \$16,466.00, replacing the old piece of apparatus at Engine 9 on Arbor St. which was purchased in 1924.

New cars were purchased to replace those operated by the Deputy Chief and City Electrical Inspector.

A new generator engine for the fire boat and a 1000 gallon pumper for Engine 6 will be delivered in 1955.

With the replacement of Engine 6 at Park Ave. in 1955, the other pieces of apparatus are in good serviceable condition, although there are two pieces of apparatus considered for replacement in 1956 and 1957. This time could be extended to 1957 and 1958.

Conclusion

In concluding my first annual report, I wish to express my sincere appreciation to the Members of the City Council and the City Manager for the interest they have taken in the Department, and the support they have given me through the first year I have been Chief.

I am grateful to the Members of the Department for the respect they have accorded me at all times, and for the faithful and efficient manner in which they have performed their duties.

Respectfully submitted

ANNUAL REPORT
of the
Signal System

From: January 1, 1954 to December 31, 1954, Inc.

To the: Honorable City Council

Gentlemen:

Following is a report of the Signal System for the year 1954:

Overhead Construction

Took down old Number 1 tapper line from office to Veteran's Hall on South Street.

Installed new tapper line to Chief Marr's home.

Installed new line to Fire Alarm Box 161.

Re-wired feeds from line to fire alarm box 157.

Repaired air raid line at Morrill's Corner that had been broken down by an automobile hitting pole.

The following locations of cross arms and line either transferred to new poles or raised on pole to make clearance for new cable being installed by Telephone Company:

Allen Avenue	39 poles	13 poles transferred	-	26 raised
Auburn Street	38 "	21 "	"	17 "
Brighton Avenue	16 "	15 "	"	1 "

Stevens Avenue	1 "	1 "	"	
St. John Street	1 "	1 "	"	
Veranda Street	3 "	3 "	"	
Washington Avenue	20 "	4 "	"	16 "

Inspected all overhead construction in the Spring and Fall, making repairs where necessary.

Underground Construction

The underground construction was improved by replacing old cable with new as follows:

Congress Street from Brown Street to High Street.

Congress Street from India Street to Mountfort Street.

Congress Street from Mellen Street to Deering Avenue.

Federal, Exchange and Middle Streets from Market Street to Free Street.

High Street from Spring Street to Danforth Street.

State Street from Congress Street to Cumberland Avenue.

Underground Construction (continued)

Pulled out old cable on Washington Avenue at East Deering By-Pass.

Moved cable box at Baxter's Blvd. and Washington Avenue to new location to make room for East Deering By-Pass.

Moved cable box at State and Congress Streets.

Moved cable box at Neal and Congress Street to cut curbing back.

Pulled a new piece of cable in on Danforth Street at new traffic circle where contractor had dug up old cable and damaged same.

Installed a new cable on Forest Avenue at the new Turnpike crossing to make clearance for over-pass.

Fire Alarm Boxes

Fire alarm box 161 was transferred from Windsor and Kensington Streets to Windsor and Lennox Streets.

Moved fire alarm box 3372 at Portland City Hospital from bedroom to hall.

Painted fire alarm boxes 131, 321 and 46.

Fire alarm boxes 133, 142, 231, 35, 316, 423, 6, 725, 931 and 936 were taken out, over-hauled, cleaned, timed and oiled.

Re-set boxes 35 at Chestnut and Oxford Streets and 514 at Congress and Walker Streets that had been knocked down and broken by automobiles.

Fire alarm box 835 discontinued at Boston and Maine Railroad Bridge.

A monthly test was made of all fire alarm boxes so as to keep them in good working order.

Air Raid Warning System

The air raid sirens' specifications and installation plans are complete. Milliken Bros. are low bidders, but contract has not been awarded.

The present sirens are being tested every Saturday at 12 noon. All seem to be in order.

Respectfully submitted
