PORTLAND FIRE DEPARTMENT

MEMORANDUM

TO: All Fire Department Personnel

FROM: Joseph E. Thomas, Fire Chief 

DATE: June 6, 1994

SUBJECT: Portland Fire Department Yearbook

In an effort to capture this time in our history of the Portland Fire Department, we have entered into an agreement with the Taylor Publishing Company for the development of a Fire Department Yearbook. The Taylor Publishing Company has a positive record for development of these books and have done many departments nation-wide.

F.F. Mike Daicy will be coordinating the process with myself and the company. The company has asked us to supply photographs which would be included in this book. If any of you have photos of PFD activities which you think would be appropriate, and would like them used, please contact F.F. Daicy or myself.

As work on the book progresses, they will be sending a photographer in to have pictures taken of all active members. We are hoping for a great success, and any comments or ideas will be greatly appreciated. If anyone has ideas or comments, please give us a call.

Thank you for your attention and participation. I feel this will be a great opportunity to identify the Department and You it's members.
